

May 28, 2020

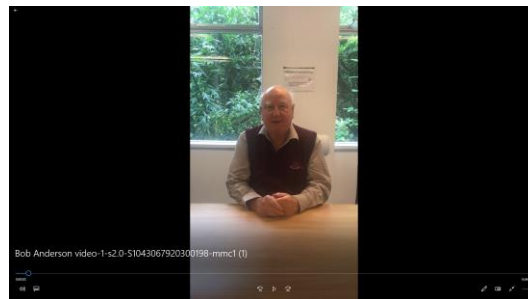

Dear ECHSA Members and friends:

I am delighted to share with you the journal article "***Surgical Management of Aorto-Ventricular Tunnel. A Multicenter Study***", just published in the *Journal of Thoracic and Cardiovascular Surgery*. This paper reports the results of our multi-institutional study, which marks the beginning of hopefully more joint ECHSA-WSPCHS collaborative research efforts.

As notified by the publisher, you can access the article online and can download the PDF for free for the next 50 days at the following link:

<https://authors.elsevier.com/c/1b8Dn3jAeitRYc>

I am proud to also alert you to the embedded in the online version insightful, as always, **video introduction of aortoventricular tunnel by our Honorary Member Professor Robert Anderson, a must watch!**

I wish to congratulate and thank Lefteris Protopapas who carried this effort to its conclusion, along with all the co-authors and all the colleagues whose contributions made this study possible!

With warmest wishes,

George Sarris,
ECHSA President
