EUROPEAN CONGENITAL HEART SURGEONS ASSOCIATION

**James S. Tweddell, MD**  
**September 2, 1959 - July 1, 2022**

It is with great sorrow that ECHSA announces the passing of Dr. James Scott Tweddell, President of the CHSS, our sister Society across the Atlantic.

Jim, as many of us got to know him personally, has been a most respected colleague who fought against brain cancer with the great dignity and valor with which he has battled congenital heart disease throughout his illustrious career.

His surgical skills, his devotion to patients, his scientific contributions and his teachings have benefited not only his own patients but also innumerable others while providing inspiration to many surgeons around the world.

ECHSA recognises Jim's passing as an enormous loss to our community, and extends sincere condolences to his family.

May he rest in Peace.

On behalf of the ECHSA Board and all ECHSA Members,

George E. Sarris

ECHSA President
